

THE TRIBE MEN'S GROUP

INVITES YOU TO THE ANNUAL

UNPLUG, CONNECT & TRANSFORM RETREAT 2019

With great excitement and anticipation, we wish to invite and welcome you to our 5th Annual Men's Retreat. For those of you unfamiliar with our retreats, each year we take time out of our busy schedules to reconnect - with ourselves, with one another and with nature.

We create a space that fosters authentic conversation, personal discovery, youthful play and deep connection in order to further the mission of The Tribe and continue building community.

The adventure begins on the evening of March 14th and wraps up March 17th @ 12:00 PM.

The cost of the event is \$495, with a \$100 deposit to hold your spot. You can make the payment using PayPal (todd@thetribemensgroup.com). Payment plans and scholarships are available on request.

Also note that this is a dry and unplugged retreat meaning no alcohol and no cell phones (emergency contact is always provided and available).

To enrich the overall experience, we've added an additional day this year by starting on a Thursday evening and recruiting a talented and experienced support staff!

Since the reservations are already in progress, save your spot at the lodge by writing an email to frank@thetribemensgroup.com or todd@thetribemensgroup.com Send any and all questions to the same place.
